Showcasing Sustainable Solutions

Trade mission for sustainable energy professionals
13 – 19 January 2018

Abu Dhabi – Dubai
13 – 19 January 2018

ABU DHABI 2018
SUSTAINABILITY WEEK

Dear sustainable energy professional,

The Hansa Green Tour Foundation organizes international networking tours for sustainability professionals that want to promote sustainable technology and renewable energy, exchange knowledge and experiences and look for new opportunities. Trade missions for sustainability professionals.

From 13th– 19th January we organize the UAE Green Tour, a trade mission to the United Arab Emirates to visit the Abu Dhabi Sustainability Week, one of the largest sustainability events in the world with a.o. the World Future Energy Summit, International Water Summit, EcoWaste Exhibition and a very large trade show. A meeting place for world leaders and sustainability professionals from 175 countries.

During this mission we will also visit Dubai, one of the fastest growing metropolitan cities in the world with sky high ambitions to become the most sustainable city in the world by 2050. The Dubai Sustainable City project has started and progress is looking good. The largest solar park in the world with 1000 MW capacity is under construction and investments in the energy transition are among the highest in the world. The United Arab Emirates have the ambition to become world leaders in the energy transition and become the 'center of gravity' for a sustainable future energy supply. A unique country offering many opportunities for companies to do business and for governmental organizations and sustainable energy professionals to exchange knowledge and ideas.

***Do you want to participate in this sustainable energy trade mission?
The register before the 24th November.***

Participation fee: € 3.500,- per person (excl VAT)

Price is including return flight to the UAE, 6 hotel stays including breakfast, lunches and dinners, opening ceremony of the Abu Dhabi Sustainability Week, trade show visit, company visits and excursions and matchmaking programme.
